

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Howard Katz
DOCKET NO.: 08-22975.001-R-1
PARCEL NO.: 05-29-300-011-0000

The parties of record before the Property Tax Appeal Board are Howard Katz, the appellant(s), by attorney Brian P. Liston, of Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 83,175
IMPR.: \$ 195,827
TOTAL: \$ 279,002

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property contains a 39,988 square foot parcel of land improved with a two-story dwelling of frame and masonry construction containing 4,657 square feet of living area. The dwelling is 53 years old. Features of the home include four and one half-baths, air conditioning, a full, finished basement, and a fireplace.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted description and assessment information on three comparable properties described as two-story, frame or masonry dwellings that range: in age from 36 to 52 years; in size from 4,406 to 4,719 square feet of living area; and in improvement assessments from \$32.61 to \$41.93 square feet of living area. Features include three to four and two half-baths, air conditioning for two properties, and two fireplaces. The subject's improvement assessment is \$42.05 per square feet of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$279,002 was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story, masonry or frame and masonry dwellings that are between 31 and 58 years old. The dwellings range in size from 4,406 to 4,995 square feet of living area. Features include three and two half-baths to six and two half-baths and a partial or full basement. These properties have improvement assessments ranging from \$41.87 to \$46.26 per square foot of living area.

In addition, the board provided sales data for comparable #4. It sold on June 1, 2005, for a price of \$3,275,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the appellant and comparables #1, #2, and #3 submitted by the board of review were most similar to the subject in size, design, and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$32.61 to \$46.26 per square foot of living area. The subject's improvement assessment of \$42.05 per square foot of living area is within the range established by the most similar comparables. Therefore, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
