

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Flora Sampang
DOCKET NO.: 08-23537.001-C-1
PARCEL NO.: 28-16-208-028-0000

The parties of record before the Property Tax Appeal Board are Flora Sampang, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 30,875
IMPR.: \$ 64,885
TOTAL: \$ 95,760

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2008 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story building of frame and masonry construction with 3,528 square feet of living area. The building is 40 years old. The property has a 12,500 square foot site, and is located in Bremen Township, Cook County. The subject is classified as a class 5-92 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on October 30, 2006 for a price of \$252,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$130,112. The subject's assessment reflects a market value of \$342,400, or \$85.60 per square foot of building area, including land, when applying the 2008 statutory level of assessment for commercial property under the Cook County Real Property Assessment Classification Ordinance of 38.00%. In support of its contention of the correct assessment, the board of review submitted evidence disclosing the subject property was purchased on October 26, 2006 for a price of \$252,000. The board of review also submitted information on five comparable sales from the CoStar Comps Service.

At hearing, counsel for the appellant reaffirmed the evidence previously submitted, and the board of review analyst rested on the evidence previously submitted.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2006 for a price of \$252,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant disclosed that the parties to the transaction were not related and the property was sold using a Realtor. In further support of the transaction, the appellant submitted a copy of the sales contract, the settlement statement, and a deed affixed with Illinois Real Estate Transfer Tax Stamps. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present

any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$252,000 as of January 1, 2008. Since market value has been determined the 2008 statutory level of assessment for commercial property under the Cook County Real Property Assessment Classification Ordinance of 38.00% shall apply. 86 Ill.Admin.Code §1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
