

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Harshad and Vina Jani
DOCKET NO.: 08-25527.001-R-1
PARCEL NO.: 10-16-209-046-0000

The parties of record before the Property Tax Appeal Board are Harshad and Vina Jani, the appellants, by attorney Julie Realmuto of McCarthy Duffy in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$7,439
IMPR.: \$37,339
TOTAL: \$44,778**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of masonry construction containing 1,723 square feet of living area. The dwelling is 50 years old. Features of the home include a full basement finished with a recreation room, central air conditioning and a 2-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as single-story, one and ½-story and multi-level masonry dwellings that range in age from 42 to 71 years old. The comparable dwellings range in size from 1,348 to 1,870 square feet of living area. Two comparables have partial finished basements. One comparable has a full finished basement and one comparable has a full unfinished basement. Three comparables have central air conditioning and one comparable has a fireplace. The appellant did not include any data concerning garages for the comparables. The comparables have improvement assessments ranging from \$12.17 to \$15.65 per square foot of living area. The subject's improvement assessment is \$21.67 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on one comparable property consisting of a two-story masonry dwelling that is 56 years old. The dwelling has 1,048 square feet of living area. This comparable has a full unfinished basement, central air conditioning and a 2-car garage. This property has an improvement assessment of \$27.83 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds appellant's comparables #1, #3 and #4 and board of review comparable #1 are dissimilar to the subject based on the square feet of the living area. The Board also finds appellant's comparable #2 is dissimilar to the subject based on the age of this property. The Board finds none of the comparables submitted by the parties was sufficiently similar to the subject to support their respective arguments. However, the Property Tax Appeal Board finds all the comparables submitted by the parties had improvement assessments ranging from \$12.17 to \$27.83 per square foot of living area. The subject's improvement assessment of \$21.67 per square foot of living area falls within this range. Therefore, the Board finds the evidence in this record supports the subject's assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
