ANALYSIS

The subject property consists of a 123,436 square foot parcel of land improved with a 21-year old, one-story, masonry, industrial, condominium building containing 23 units.

The property in this appeal was the subject of an appeal before the Property Tax Appeal Board for the prior year under Docket No. 07-25896.001-I-1 through 07-25896.024-I-1. In that appeal, the Property Tax Appeal Board reached a decision based upon equity and the weight of the evidence in the record as presented by the parties to the appeal. Pursuant to the Official Rules of the Property Tax Appeal Board, evidence from both parties in support of their respective opinions of the subject's market value as of the assessment date or equity of the assessment was requested.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Property Tax Appeal Board finds from its analysis of the record that the evidence in this appeal is no different from that of the prior year. Since no new evidence was presented to warrant a change from the previous year's decision, the Board finds that the assessment as established in the prior year's appeal is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
