

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Pera
DOCKET NO.: 08-26119.001-R-1
PARCEL NO.: 12-24-200-016-0000

The parties of record before the Property Tax Appeal Board are James Pera, the appellant, by attorney Herbert B. Rosenberg, of Schoenberg Finkel Newman & Rosenberg LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,789
IMPR.: \$ 23,928
TOTAL: \$ 30,717

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 3,690 square feet of land improved with a 55-year old, one and one-half story, masonry, single-family dwelling. The improvement contains 1,224 square feet of living area as well as a full basement, one full and one half-baths, and a two and one-half car garage.

The appellant argued that there was unequal treatment in the assessment process of the subject's land and improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for four suggested comparables located within a two-block radius of the subject. They are improved with a one and one-half story, single-family dwelling with masonry exterior construction. They range: in age from 54 to 59 years; in building size from 1,124 to 1,568 square feet of living area; and in improvement assessments from \$13.95 to \$18.05 per square foot. The subject's improvement assessment is at \$19.55 per square foot of living area. The properties also include varying amenities. Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$30,717. The board of review submitted descriptive and assessment data relating to four suggested comparables. They are improved with a one and one-half story, masonry, single-family dwelling. They range: in age from 52 to 60 years; in size from 1,152 to 1,321 square feet of living area; and in improvement assessments from \$20.26 to \$22.07 per square foot. The properties contained varying amenities. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has not met this burden and that a reduction is not warranted.

In totality, the parties submitted 8 equity properties. The Board finds that the appellant's comparables #3 and #4 as well as the board of review's comparables #1, #3, and #4 are most similar to the subject in style, improvement age, size, and/or amenities. In analysis, the Board accorded most weight to these comparables. The five comparables range in improvement assessments from \$16.02 to \$22.07 per square foot of living area. The subject's improvement assessment at \$19.55 per square foot is within the range established by these comparables.

Therefore, the Board finds that the appellant has not demonstrated that the subject is inequitably assessed and that a reduction in the subject's improvement assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
