

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jackson Boulevard Partners
DOCKET NO.: 08-26973.001-R-1 through 08-26973.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jackson Boulevard Partners, the appellant, by attorney James A. Hulihan, of Thomas M. Tully & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
08-26973.001-R-1	24-12-104-043-0000	18,000	480	\$18,480
08-26973.002-R-1	24-12-104-050-0000	7,048	34,472	\$41,520

Subject only to the State multiplier as applicable.

ANALYSIS

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2008 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a two-story dwelling of masonry construction with 7,201 square feet of living area. The dwelling is 70 years old. Features of the home include two and one-half baths, a full unfinished basement, and central air conditioning. The property has a 9,790 square foot site, and is located in Worth Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on April 28, 2008 for a price of \$600,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,772. The subject's assessment reflects a market value of \$758,042 or \$105.27 per square foot of living area, including land, when applying the 2008 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 9.60% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables. The board of review also submitted information on one comparable sale.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April 2008 for a price of \$600,000. The appellant provided evidence demonstrating the sale was an arm's length transaction. The appellant submitted the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$600,000 as of January 1, 2008. Since market value has been determined the 2008 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification
