

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniela & Ioan Lariones  
DOCKET NO.: 08-27563.001-R-1  
PARCEL NO.: 20-22-204-024-0000

The parties of record before the Property Tax Appeal Board are Daniela & Ioan Lariones, the appellant(s), by attorney Steven Kandelman, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 3,537  
**IMPR.:** \$ 23,396  
**TOTAL:** \$ 26,933

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 3,050 square foot parcel of land improved with a 109-year old, three-story, masonry, single-family dwelling containing 4,398 square feet of living area, three baths, and a full, unfinished basement. The appellant argues that the market value of the subject property is not accurately reflected in the property's assessed valuation as the basis of this appeal.

In support of the market value argument, the appellant included a copy of the settlement statement indicating the subject sold on May 29, 2009 for \$18,000. The statement indicates fees where paid to a realtor. The settlement statement also lists the

grantor as a bank. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment of \$26,933. The subject's final assessment reflects a fair market value of \$280,552 or \$63.79 per square foot of living area using the Illinois Department of Revenue's 2008 three year median level of assessment for class 2 property of 9.60%.

In support of the subject's assessment, the board of review submitted descriptions and sales and/or assessment information on four properties. These properties are described as three-story, masonry, single-family dwellings with various amenities. The properties range: in age from 93 to 101 years; in size from 3,402 to 4,442 square feet of living area; and in improvement assessments from \$5.82 to \$7.11 per square foot of living area. One of these properties sold in April 2005 for \$175,000 or \$51.44 per square foot of living area. The board of review also listed the sale of the subject in March 2006 for \$349,000. As a result of this analysis, the board requested confirmation of the subject's assessment.

After considering the evidence and reviewing the record, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2<sup>nd</sup> Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c).

In addressing the appellant's market value argument, the PTAB finds that the sale of the subject in June 2008 was a "compulsory sale." A "compulsory sale" is defined as

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a

result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) (citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211, 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the PTAB is statutorily required to consider compulsory sales of comparable properties.

In considering the compulsory sale of the subject property the PTAB looks to the comparable sales to determine if the subject's sale was reflective of the market. The PTAB finds the appellant did not present any sales comparables, however the board of review presented one sales comparable. This property sold in April 2005 for \$175,000 or \$51.44 per square foot of living area. The subject sold in May 2009 for \$18,000 or \$4.09 per square foot of living area; the subject's sale is below the sale data submitted by the board of review. The PTAB finds the appellant failed to establish by a preponderance of the evidence

that the subject's sale is reflective of the market value and a reduction based on market value is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
