

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hellas Management
DOCKET NO.: 08-27780.001-R-1
PARCEL NO.: 16-10-410-040-0000

The parties of record before the Property Tax Appeal Board are Hellas Management, the appellant, by attorney Brian P. Liston of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 5,081
IMPR.: \$ 37,538
TOTAL: \$ 42,619

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a three-story, multi-family building of masonry construction. The building is one year old and has 3,678 square feet of living area with three apartment units, central air conditioning, and a slab foundation. The subject is classified as a class 2-11 residential property under the Cook County Real Property Assessment Classification Ordinance and is located in Chicago, West Chicago Township, Cook County.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as three-story, multi-family buildings of frame or masonry construction. The comparable properties all have the same neighborhood and classification codes as the subject. The comparable buildings are either one or two years old and contain from 3,678 to 4,404 square feet of living area with three apartment units and central air conditioning. Two comparables have slab foundations, and one has a full unfinished basement. The comparables have improvement assessments ranging from \$35,172 to \$41,317 or \$9.38 to \$9.75 per square foot of living area. The subject's improvement assessment is \$37,538 or \$10.21 per square foot of living area. Based on this evidence, the appellant requested that the subject's

improvement assessment be reduced to \$35,178 or \$9.56 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$42,619 was disclosed. The board of review presented descriptions and assessment information on four comparable properties described as three-story, multi-family buildings of masonry construction.¹ The comparable properties all have the same neighborhood and classification codes as the subject. The comparable buildings range in age from one to four years and contain from 3,613 to 3,744 square feet of living area with three apartment units and a slab foundation. Three buildings have central air conditioning. These properties have improvement assessments ranging from \$38,371 to \$61,532 or \$10.41 to \$16.43 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

Both parties presented assessment data on a total of seven equity comparables. All of the comparables submitted were apartment buildings that were very similar to the subject in age and location. Nevertheless, the appellant's comparable #1 has a full unfinished basement that is unlike the subject's slab foundation, and the appellant's comparable #3 is much larger. As a result, these comparables received reduced weight in the Board's analysis. The Board finds the appellant's comparable #2 and the comparables submitted by the board of review were very similar to the subject in size, foundation, and exterior construction. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$36,001 to \$61,532 or \$9.75 to \$16.43 per square foot of living area. The subject's improvement assessment of \$37,538 or \$10.21 per square foot of living area falls within the range established by the best comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

¹ Three comparables were described in a grid with a property characteristic sheet in the evidence for a fourth property.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.

IMPORTANT NOTICE

Section 16-185 of the Property Tax Code provides in part:

"If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel after the deadline for filing

complaints with the Board of Review or after adjournment of the session of the Board of Review at which assessments for the subsequent year are being considered, the taxpayer may, within 30 days after the date of written notice of the Property Tax Appeal Board's decision, appeal the assessment for the subsequent year directly to the Property Tax Appeal Board."

In order to comply with the above provision, YOU MUST FILE A PETITION AND EVIDENCE WITH THE PROPERTY TAX APPEAL BOARD WITHIN 30 DAYS OF THE DATE OF THE ENCLOSED DECISION IN ORDER TO APPEAL THE ASSESSMENT OF THE PROPERTY FOR THE SUBSEQUENT YEAR.

Based upon the issuance of a lowered assessment by the Property Tax Appeal Board, the refund of paid property taxes is the responsibility of your County Treasurer. Please contact that office with any questions you may have regarding the refund of paid property taxes.
