

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aleksandar Kamatovic
DOCKET NO.: 08-28078.001-R-1 through 08-28078.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Aleksandar Kamatovic, the appellant(s), by attorney Mitchell L. Klein, of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
08-28078.001-R-1	04-28-400-101-0000	8,231	37,363	\$ 45,594
08-28078.002-R-1	04-28-400-102-0000	6,658	37,514	\$ 44,172
08-28078.003-R-1	04-28-400-103-0000	8,231	37,363	\$ 45,594

Subject only to the State multiplier as applicable.

ANALYSIS

The subject has 19,881 square feet of land, which is improved with a 28 year old, two-story, masonry, multi-family building. The subject's improvement size is 9,966 square feet of building area, and its total assessment is \$234,914. This assessment yields a fair market value of \$2,447,021, or \$245.54 per square foot of building area (including land), after applying the 2008 Illinois Department of Revenue three year median level of assessment for Class 2 properties of 9.60%. The appellant, via counsel, argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal.

In support of the market value argument, the appellant submitted evidence showing that the subject sold in May 2008 for \$1,409,999. This evidence included a settlement statement. The appellant's pleadings state that the sale of the subject was an arm's-length transaction. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$234,914 was disclosed. In support of the subject's

assessment, the board of review submitted descriptive and assessment information for two properties suggested as comparable to the subject. The comparables are described as 29 year old, three-story, masonry, multi-family dwellings. Additionally, the comparables range: in size from 6,697 to 6,726 square feet of living area; and in improvement assessments from \$10.59 to \$10.66 per square foot of living area. The comparables also have several amenities. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant reaffirmed the evidence previously submitted, and argued that the board of review's evidence should be given no weight because it did not address the appellant's market value argument.

After reviewing the record and considering the evidence, the Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). "[A] contemporaneous sale between parties dealing at arm's length is not only relevant to the question of fair cash market value, (citations) but would be practically conclusive on the issue of whether an assessment was at full value." People ex rel. Korzen v. Belt Ry. Co. of Chi., 37 Ill. 2d 158, 161 (1967). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

In determining the fair market value of the subject property, the Board finds the best evidence to be the sale of the subject in May 2008 for \$1,409,999. The sale is within five months of the 2008 lien date, and the subject's pleadings state that the sale was an arm's-length transaction. The Board gives little weight to the board of review's evidence as it did not address the appellant's market value argument.

Therefore, the Board finds the subject had a market value of \$1,409,999 for the 2008 assessment year. Since the market value of this parcel has been established, the 2008 Illinois Department of Revenue three year median level of assessment for Class 2 property of 9.60% will apply. 86 Ill. Admin. Code § 1910.50(c)(2)(A). In applying this level of assessment to the

subject, the total assessed value is \$135,360, while the subject's current total assessed value is above this amount. Therefore, the Board finds that a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
