

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Kaden
DOCKET NO.: 08-28789.001-R-1
PARCEL NO.: 10-33-433-069-0000

The parties of record before the Property Tax Appeal Board are Robert Kaden, the appellant, by attorney Mitchell L. Klein, of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,784
IMPR.: \$47,616
TOTAL: \$62,400

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of 9,900 square feet of land improved with a 56-year old, two-story, frame and masonry, single-family dwelling. The subject contains 2,480 square feet of living area and includes three bedrooms and two and one-half baths. The appellant argued that the market value of the subject property is not accurately reflected in the property's assessed valuation as the basis of this appeal.

In support of the market value argument, the appellant submitted a residential appraisal summary report of the subject property with an effective date of January 1, 2008. The appraiser inspected the subject property and estimated a market value for the subject of \$650,000 based upon the cost and sales comparison approaches to value.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$84,174. The subject's assessment reflects a market value of \$876,813 using the Illinois

Department of Revenue median level of assessment for class 2, residential property of 9.60% for tax year 2008.

In addition, the board of review submitted detailed descriptive and assessment data on four suggested equity comparables. These comparables contained from 2,394 to 2,663 square feet of living area and had assessments of \$28.50 to \$33.29 per square foot of living area. Based upon this evidence, the board requested confirmation of the subject's assessment.

In written rebuttal, the appellant indicated that the board of review's equity comparables failed to address the appellant's market value argument.

After considering the arguments and reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2nd Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c). Having considered the evidence presented, the Board concludes that the appellant has met this burden and that a reduction is warranted.

In determining the fair market value of the subject property, the Board thoroughly considered the parties' evidence and finds the best evidence to be the appellant's appraisal. The Board finds this appraisal to be persuasive for the appraiser inspected the subject property and developed the cost and sales comparison approaches to value in estimating the subject's market value. Moreover, market data was used to obtain improved sale comparables while providing sufficient detail regarding each sale as well as appropriate adjustments, where necessary.

Therefore, the Board finds that the subject property had a market value of \$650,000 for tax year 2008. Since the market value of the subject has been established, the median level of assessment as determined by the Illinois Department of Revenue for class 2, residential property of 9.60% will apply. Therefore, the Board finds that a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
