

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Micklin  
DOCKET NO.: 08-29844.001-R-1  
PARCEL NO.: 20-26-125-033-0000

The parties of record before the Property Tax Appeal Board are Frank Micklin, the appellant, by attorney Glenn S. Guttman, of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,320  
**IMPR.:** \$ 13,398  
**TOTAL:** \$ 17,718

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject has 4,000 square feet of land that is improved with a 51 year old, two-story, frame, single-family dwelling. The subject's improvement size is 2,030 square feet of living area, and its total assessment is \$17,718. This assessment yields a fair market value of \$184,563, or \$90.92 per square foot of living area (including land), after applying the 2008 Illinois Department of Revenue three year median level of assessment for Class 2 properties of 9.60%. The appellant, via counsel, argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal.

In support of the market value argument, the appellant submitted evidence showing that the subject sold in September 2008 for \$15,000. This evidence included a settlement statement and a real estate sales contract. The subject was purchased as a cash transaction in "as is" condition from First Collateral Service,

Inc. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$17,718 was disclosed. In support of the subject's assessment, the board of review submitted descriptive and assessment information for four properties suggested as comparable to the subject. The comparables are described as two-story, frame, single-family dwellings. Additionally, the comparables range: in age from 95 to 113 years; in size from 2,156 to 2,200 square feet of living area; and in improvement assessments from \$7.62 to \$8.32 per square foot of living area. The comparables also have several amenities.

The board of review's grid sheet also states that comparable #2 sold in May 2005 for \$210,000, or \$95.45 per square foot of living area, including land; and that comparable #3 sold in April 2006 for \$130,000, or \$60.30 per square foot of living area, including land. The board of review also included a printout from the Cook County Recorder of Deeds website indicating Intercounty Judicial Sales Corp. transferred the subject to Mortgage Guarantee Collateral Acceptance who then transferred the property to First Collateral Service, Inc., the seller. The board of review submitted additional documentation indicating the appellant took out a mortgage on the subject property in April 2009 in the amount of \$121,000. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In written rebuttal, the appellant's attorney submitted two unrelated cases decided by the Property Tax Appeal Board in which reductions were granted based on overvaluation.

After reviewing the record and considering the evidence, the Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may

consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). "[A] contemporaneous sale between parties dealing at arm's length is not only relevant to the question of fair cash market value, (citations) but would be practically conclusive on the issue of whether an assessment was at full value." People ex rel. Korzen v. Belt Ry. Co. of Chi., 37 Ill. 2d 158, 161 (1967).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in September 2008 for \$15,000 was a "compulsory sale." A "compulsory sale" is defined as:

(i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Bd. of Educ. of Meridian Cmty. Unit Sch. Dist. No. 223 v. Ill. Prop. Tax Appeal Bd., 961 N.E. 2d 794, 802 (2d Dist. 2011) (citing Chrysler Corp. v. Ill. Prop. Tax Appeal Bd., 69 Ill. App. 3d 207, 211 (2d Dist. 1979)).

However, when there is a recent sale of the subject, and that sale is a compulsory sale, the Board may consider evidence which would show whether the sale price was representative of the subject's fair cash value. Calumet Transfer, 401 Ill. App. 3d at 655-56. In this case, the appellant did not submit any such evidence to show that the sale of the subject in September 2008

for \$15,000 was at its fair cash value. Such evidence could have included the descriptive and sales information for recently sold properties that are similar to the subject. See id. at 656. Moreover, the board of review submitted two sales that support the fact that the subject's purchase price was not at fair market value. Since there is no evidence that the sale price of the subject was at its fair cash value, the Board finds that the subject is not overvalued and a reduction is not warranted. As a final point, this Board gives no weight to the Property Tax Appeal Board cases that were submitted by the appellant on rebuttal, as those decisions are based on their own unique facts and evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
