

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Menda Landry  
DOCKET NO.: 08-30176.001-R-1  
PARCEL NO.: 18-18-200-061-0000

The parties of record before the Property Tax Appeal Board are Menda Landry, the appellant(s), by attorney Christopher G. Walsh, Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,487  
**IMPR.:** \$62,688  
**TOTAL:** \$75,175

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a two-story dwelling of frame construction containing 2,612 square feet of living area, and is seven years old. Features of the home include a full, unfinished basement, central air conditioning, a fireplace, and a three-car garage.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on four comparable properties described as two-story frame or frame and masonry dwellings. The dwellings range in age from 36 to 44 years old, and in size from 2,799 to 2,882 square feet of living area. Three of the dwellings have partial, unfinished basements, and the fourth has a full, unfinished basement. All four of the dwellings have air conditioning, one fireplace, and a two-car garage. The comparables have improvement assessments ranging from \$19.73 to \$20.80 per square foot of living area. The subject's improvement assessment is \$24.00 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$75,175 was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting

of two-story, frame dwellings that range in age from 25 to 35 years old, and in size from 2,398 to 2,651 square feet of living area. All four of the dwellings have a full, unfinished basement, air conditioning, one fireplace, and a two-car garage. These properties have improvement assessments ranging from \$23.87 to \$24.52 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review and, comparable number three submitted by the appellant were most similar to the subject in location, size, style, exterior construction, and features. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$20.76 to \$24.52 per square foot of living area. The subject's improvement assessment of \$24.00 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
