

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jara
DOCKET NO.: 08-30949.001-C-1
PARCEL NO.: 17-09-260-005-0000

The parties of record before the Property Tax Appeal Board are Jara, the appellant(s), by attorney Arnold G. Siegel, of Siegel & Callahan, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 95,000
IMPR: \$ 181,234
TOTAL: \$ 276,234

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2008 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a three-story, restaurant building with 5,748 square feet of building area. The building is 129 years old. The property has a 2,000 square foot site, and is located in North Chicago Township, Cook County. The subject is classified as a class 5-92 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables.

The appellant also contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an affidavit attesting that the subject property was 33.33% vacant

during 2007 and an affidavit on 2008 income and expenses for the subject.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$354,357. The subject property has an improvement assessment of \$259,357, or \$45.12 per square foot of building area. The subject's assessment reflects a market value of \$932,518, or \$162.23 per square foot of building area, including land, when applying the 2008 statutory level of assessment for commercial property under the Cook County Real Property Assessment Classification Ordinance of 38.00%. In support of its contention of the correct assessment, the board of review submitted information on seven comparable sales from the CoStar Comps Service.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of assessment equity to be appellant's comparables #1, #2, and #3. These comparables had improvement assessments that ranged from \$26.59 to \$31.53 per square foot of building area. The subject's assessment of \$45.12 per square foot of building area falls above the range established by the best comparables in this record. Based on this record, the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed, and a reduction in the subject's assessment is justified. Since a reduction was granted based on the appellant's equity argument, nor further analysis regarding appellant's overvaluation argument shall be completed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
