

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tammy Wood  
DOCKET NO.: 09-01722.001-R-1  
PARCEL NO.: 15-2-09-08-01-101-032

The parties of record before the Property Tax Appeal Board are Tammy Wood, the appellant, and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,480  
**IMPR.:** \$30,810  
**TOTAL:** \$37,290

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a one-story single family dwelling with 958 square feet of living area. The subject has a brick and wood frame exterior construction and is approximately 18 years old. Features of the home include a crawl space foundation, central air conditioning and a one-car attached garage. The subject has 7,475 square feet of land area and is located in Moro, Fort Russell Township, Madison County.

The appellant contends overvaluation based on a recent appraisal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$103,000 as of November 30, 2009. The evidence further revealed the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of an equalization factor increasing the subject's assessment from \$37,290 to \$37,660. The assessment notice indicated the equalized assessment reflects a market value of \$112,980. Based on this evidence the appellant requested the subject's assessment be reduced to \$33,320.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$37,660 was disclosed. After reviewing the appellant's evidence,

the board of review agreed to reduce the subject's assessment to the pre-equalized assessment of \$37,290.

The appellant was notified of the board of review proposed assessment and responded by stating the subject property had been appraised at \$103,000 and again requested the subject's assessment be reduced to \$33,320.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported.

The appellant contends the market value of the subject property was not accurately reflected in the subject's assessment. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3<sup>rd</sup> Dist. 2002). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellant met this burden of proof based on the submission of an appraisal and a reduction in the subject's assessment is warranted.

The record further disclosed, however, the appellant appealed the assessment directly to the Property Tax Appeal Board based on notice of an equalization factor. Due to the fact the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4<sup>th</sup> Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the amount of increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
