

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Holliday
DOCKET NO.: 09-01778.001-R-1
PARCEL NO.: 14-2-15-15-01-104-008

The parties of record before the Property Tax Appeal Board are Michael Holliday, the appellant, by attorney Beth K. Flowers of Mathis, Marifian & Richter Ltd., Edwardsville; and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,910
IMPR: \$102,530
TOTAL: \$124,440

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a residential property located in Madison County.

The appellant submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property has a fair market value of \$356,000 as of February 26, 2010. The evidence further revealed that the appellant filed this appeal directly to the Property Tax Appeal Board following receipt of the notice of a township equalization factor issued by the board of review.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$128,410 was disclosed. The subject's assessment reflects an estimated market value of approximately \$385,037 using Madison County's 2009 three-year median level of assessment of 33.35%. After reviewing the appellant's evidence, the board of review offered to reduce the subject's assessment by the amount of

increase caused by the application of the equalization factor or from \$128,410 to \$124,440.

The appellant was notified of this suggested agreement and given thirty (30) days to respond if the offer was not acceptable. The appellant responded to the Property Tax Appeal Board by the established deadline rejecting the proposed assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Although the appraisal submitted by the appellant post dates the subject's January 1, 2009 assessment date by over one year, the Board finds that a reduction in the subject's assessment is supported based on the evidence contained in this record. However, the record indicates that the appellant appealed the subject's assessment directly to the Property Tax Appeal Board based after receiving notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor and not from a board of review final decision, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
