

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Faisal Alvi
DOCKET NO.: 09-01924.001-R-1
PARCEL NO.: 13-2-21-01-09-101-104

The parties of record before the Property Tax Appeal Board are Faisal Alvi, the appellant, and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,310
IMPR.: \$44,430
TOTAL: \$50,740

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story residential condominium of frame construction that contains 1,720 square feet of living area. Features of the home included central air conditioning and a two-car attached garage. The property is located in Maryville, Collinsville Township, Madison County.

The appellant claims overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables were described as being improved with two-story residential condominiums located with the same block and along the same street as the subject property. These homes sold during 2009 for prices ranging from \$138,500 to \$159,900. The appellant also indicated the subject property was purchased in September 2007 for a price of \$165,250. The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of a township equalization factor issued by the board of review increasing the subject's assessment from \$50,740 to \$53,670. The assessment notice indicated the equalized assessment reflects a market value of \$161,010. Based on this evidence the appellant requested the subject's assessment reduced to \$44,410.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment totaling \$53,670 was disclosed. After reviewing the appellant's evidence, the board of review agreed to reduce the subject's assessment by to the pre-equalized assessment of \$50,740.

The appellant was notified of the board of review proposal and rejected the offer. The appellant requested the assessment be reduced to \$45,670, the current and prior year's assessment of the subject property. The appellant explained that he has taken a major hit against the home's value due to the 2008-2009 financial/economic crisis.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant appealed the assessment directly to the Property Tax Appeal Board following the receipt of the notice of the application of a township equalization factor issued by the board of review. Due to the fact the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v.

Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
