

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Douglas & Carol Farris
DOCKET NO.: 09-02034.001-F-1
PARCEL NO.: 16-17-06-300-001

The parties of record before the Property Tax Appeal Board are Douglas & Carol Farris, the appellants, by attorney Robert W. McQuellon III, in Peoria, and the Fulton County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Fulton** County Board of Review is warranted. The correct assessed valuation of the property is:

F/Land:	\$1,710
Homesite:	\$3,460
Residence:	\$65,000
Outbuildings:	\$0
TOTAL:	\$70,170

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a rural parcel improved with a one-story brick dwelling of unspecified age that contains 1,974 square feet of living area. Features include central air conditioning, a full finished basement, a 693 square foot attached frame garage and a 768 square foot detached garage. The parcel is also improved with a modular home that contains 1,232 square feet of living area. The subject is located in Adair, Farmers Township, Fulton County.

Prior to the commencement of the hearing, both parties requested that the Property Tax Appeal Board issue a decision based on the evidence in the record.

The subject parcel is improved with an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 08-01845.001-F-1. In that appeal the Property Tax Appeal Board rendered a decision lowering the assessment of the subject dwelling to \$65,000 based

on the evidence submitted by the parties. The appellants also submitted a one-page cost analysis using the Marshall & Swift Calculator Method to demonstrate the subject was being overvalued.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$89,530 was disclosed. The board of review submitted Multiple Listing Service sheets on three comparables to demonstrate the subject's assessment reflected the property's market value.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2008 assessment. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of a 1.00% equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
