

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cajack Dempsey
DOCKET NO.: 09-02500.001-R-1
PARCEL NO.: 13-2-21-12-02-203-054

The parties of record before the Property Tax Appeal Board are Cajack Dempsey, the appellant, and the Madison County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Madison** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,910
IMPR.: \$58,670
TOTAL: \$75,580

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a one-story frame and masonry constructed single-family dwelling located in Maryville, Collinsville Township, Madison County. The dwelling is 2 years old and contains 1,727 square feet of living area with a full partially finished basement, central air conditioning, a fireplace, and a three-car garage.

The appellant claims overvaluation as the basis of the appeal. In support of this assertion, the appellant completed Section IV of the Residential Appeal form reporting a recent sale of the subject property. The purchase occurred in November 2007 for a price of \$231,400. The appellant indicated the subject property was sold by Realtor/owner Doug Hartman and the property was advertised on the open market through the Multiple Listing Service. The appellant also submitted copies of the Warranty Deed and Settlement Statement, the latter of which reflected a contract sales price of \$231,400 and a settlement date of December 3, 2007.

The evidence further revealed that the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of

the notice of a township equalization factor issued by the board of review which increased the subject's assessment from \$75,580 to \$79,950. The Notice states that the equalized assessment reflects a market value of approximately \$239,850.

The board of review did not submit its "Board of Review Notes on Appeal" nor any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellant appealed the assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited.

Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported based on overvaluation. However, the reduction is limited to the increase

in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
