

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William Van Dam, Jr.
DOCKET NO.: 09-04759.001-R-1
PARCEL NO.: 10-03-204-006

The parties of record before the Property Tax Appeal Board are William Van Dam, Jr., the appellant, and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$46,310
IMPR: \$101,000
TOTAL: \$147,310

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a part two-story and part one-story single family dwelling with a frame and brick exterior that has 2,924 square feet of living area. The dwelling has an unfinished basement, central air conditioning, a fireplace and a 620 square foot attached garage. The dwelling is approximately 39 years old. The subject has a 12,236 square foot site and is located in Hinsdale, Downers Grove Township, DuPage County.

The appellant contends the assessment of the subject dwelling is inequitable. In support of this argument the appellant submitted descriptions and assessment information on three comparables improved with two-story or part two-story and part one-story dwellings that range in size from 2,554 to 3,636 square feet of living area. The comparables were similar to the subject in location, features and age. The data provided by the appellant indicated the comparables had improvement assessments ranging from \$32.37 to \$35.92 per square foot of living area. The appellant submitted a copy of the decision issued by the board of review establishing a total assessment of \$157,990 and an improvement assessment of \$111,680 or \$38.19 per square foot of living area. The appellant also argued market trends showed a decline in the housing market since 2006. Based on this evidence

the appellant requests the subject's improvement assessment be reduced to \$101,000.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends assessment inequity as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessments by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). The evidence must demonstrate a consistent pattern of assessment inequities within the assessment jurisdiction. After an analysis of the assessment data the Board finds a reduction is warranted.

The appellant in this appeal submitted assessment information on three assessment comparables to demonstrate the subject was inequitably assessed. These comparables had improvement assessments that ranged from \$32.37 to \$35.92 per square foot of living area. The subject has an improvement assessment of \$38.19 per square foot of living area, which is above the range established by the comparables. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code §1910.40(a)). Based on this record the Property Tax Appeal Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
