

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin & Nancy Daugherty
DOCKET NO.: 09-05179.001-R-1
PARCEL NO.: 29-08.0-351-008

The parties of record before the Property Tax Appeal Board are Kevin & Nancy Daugherty, the appellants; and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Sangamon County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$28,550
IMPR.: \$0
TOTAL: \$28,550

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a vacant lot that contains approximately 21,000 square feet of land area. The subject property is located in Ball Township, Sangamon County, Illinois.

The appellants submitted evidence before the Property Tax Appeal Board claiming overvaluation as the basis of the appeal. In support of this argument, the appellants submitted Multiple Listing Service sheets and an analysis of four suggested comparable sales. The comparables consist of vacant lots that range in size from approximately 17,898 to 37,898 square feet of land area. The comparables sold from November 2009 to April 2010 for prices ranging from \$39,900 to \$57,500.

The evidence further revealed that the appellants filed this appeal directly to the Property Tax Appeal Board following receipt of the notice of a township equalization factor issued by the board of review.

Based on this evidence, the appellants requested a reduction in the subject's assessment to \$19,167.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject property's final assessment of \$29,578 was disclosed. The subject's assessment reflects an estimated market value of \$88,743 using Sangamon County's 2009 three-year median level of assessment of 33.33%. The board of review contends the appellants did not provide any evidence of value and the comparables offered by the appellants are assessed close to their purchase price. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Based upon the evidence submitted, the Board finds that a reduction in the subject's assessment is supported. However, the record indicates that the appellants appealed the subject's assessment directly to the Property Tax Appeal Board based on notice of a township equalization factor issued by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the Official Rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. (86 Ill.Admin.Code §1910.60(a)).

Additionally, section 16-180 of the Property Tax Code provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor. (35 ILCS 200/16-180)

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
