

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Timothy Lee Baker, Jr.
DOCKET NO.: 09-05392.001-R-1
PARCEL NO.: 07-29.0-300-005

The parties of record before the Property Tax Appeal Board are Timothy Lee Baker, Jr., the appellant, and the Sangamon County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Sangamon County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,879
IMPR.: \$43,822
TOTAL: \$50,701

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a 1½-story single family dwelling of brick construction that contains 1,342 square feet of living area. The dwelling is approximately 55 years old. Features of the property include a full unfinished basement, central air conditioning and a two-car detached garage. The property has a 1.29 acre site and is located in Sherman, Williams Township, Sangamon County.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant completed Section IV - Recent Sale Data of the Residential Appeal disclosing the property was purchased in September 2009 for a price of \$102,000. The appellant indicated the parties to the transaction were not related and the property was listed on the open market for 7 months. The appellant also submitted a copy of the settlement statement dated September 15, 2009 disclosing a purchase price of \$102,000 and a copy of a listing of the subject property.

The appellant also submitted a copy of the assessment notice issued by the Sangamon County Board of Review increasing the assessment from \$50,701 to \$54,316. The notice indicated the

equalized assessment reflected a market value of \$162,948. Based on this evidence the appellant requested the subject's assessment be reduced to \$50,701.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. (86 Ill.Admin.Code §1910.65(c)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the sale of the subject property provided by the appellant disclosing the property was purchased in September 2009 for a price of \$102,000. The Board finds the subject's assessment reflects a market value greater than the purchase price presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a) & §1910.69(a).

The Board further finds the appellant filed the appeal directly to the Property Tax Appeal Board following receipt of the notice of the application on a township equalization factor applied by the board of review. Since the appeal was filed after notification of an equalization factor, the amount of relief that the Property Tax Appeal Board may grant is limited. Section 1910.60(a) of the rules of the Property Tax Appeal Board states in part:

If the taxpayer or owner of property files a petition within 30 days after the postmark date of the written notice of the application of final, adopted township equalization factors, the relief the Property Tax Appeal Board may grant is limited to the amount of the increase caused by the application of the township equalization factor. 86 Ill.Admin.Code §1910.60(a).

Additionally, section 16-180 of the Property Tax Code (35 ILCS 200/16-180) provides in pertinent part:

Where no complaint has been made to the board of review of the county where the property is located and the appeal is based solely on the effect of an equalization factor assigned to all property or to a class of property by the board of review, the Property Tax Appeal Board may not grant a reduction in the assessment greater than the amount that was added as the result of the equalization factor.

These provisions mean that where a taxpayer files an appeal directly to the Property Tax Appeal Board after notice of application of an equalization factor, the Board cannot grant an assessment reduction greater than the amount of increase caused by the equalization factor. Villa Retirement Apartments, Inc. v. Property Tax Appeal Board, 302 Ill.App.3d 745, 753 (4th Dist. 1999). Based on a review of the evidence contained in the record, the Property Tax Appeal Board finds a reduction in the assessment of the subject property is supported. However, the reduction is limited to the increase in the assessment caused by the application of the equalization factor.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
