

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Matthew Caruso  
DOCKET NO.: 09-06261.001-R-1  
PARCEL NO.: 09-11-423-018

The parties of record before the Property Tax Appeal Board are Matthew Caruso, the appellant, and the DuPage County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the DuPage County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$102,600  
**IMPR:** \$212,800  
**TOTAL:** \$315,400

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject parcel of 9,375 square feet of land area is improved with a two-story frame and brick exterior constructed dwelling built in 1951 which was substantially remodeled in 2008. The dwelling consists of approximately 2,867 square feet of living area with a basement.<sup>1</sup> Additional features of the dwelling are central air conditioning, a fireplace and a two-car garage. The subject property is located in Hinsdale, Downers Grove Township, DuPage County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the prior year under docket number 08-04103.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$315,400 based on the evidence submitted by the parties.

---

<sup>1</sup> The appellant's appraiser reported the basement to be 75% finished which is contrary to the data reported by the assessing officials as unfinished.

For purposes of this 2009 assessment appeal,<sup>2</sup> the appellant submitted an appraisal prepared by Mark D. Colao of MCR Appraisal Services, Inc. The client set forth in the report was First Merit Mortgage Corporation in Canton, Ohio and the purpose of the appraisal was for a refinance transaction with the rights appraised being fee simple. The appraiser used both the sales comparison and cost approaches to value in arriving at an estimated market value for the subject property of \$810,000 as of November 16, 2010.

The Property Tax Appeal Board takes notice that 2008 and 2009 are within the same general assessment period for residential property in DuPage County. (86 Ill.Admin.Code §1910.90(i)).

Based upon the new appraisal evidence, the appellant requested an assessment reduction to \$270,000 which would reflect a market value of approximately \$810,000.

The board of review submitted its "Board of Review Notes on Appeal" wherein the 2009 final assessment of the subject property of \$334,640 was disclosed. The board of review also reported that an equalization factor of 1.00 was applied to properties in Downers Grove Township. The subject's assessment reflects a market value of approximately \$1,003,920.

In support of the subject's 2009 assessment, the board of review submitted a grid analysis with limited descriptions and sales data on five comparables located in the subject's neighborhood. The sales occurred from February 2007 to March 2008 for prices ranging from \$814,000 to \$1,170,000. This market value data was presented to demonstrate that the subject's assessment reflected the property's market value.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this 2009 assessment appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year's decision should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which

---

<sup>2</sup> The appellant purported to simultaneously file appeals with the Property Tax Appeal Board for assessment years 2010 and 2011 based on the decision issued in docket number 08-04103.001.R-1. (See 35 ILCS 200/16-185 - filing of an appeal directly to the Property Tax Appeal Board for the subsequent year within 30 days after the date of written notice of the Property Tax Appeal Board's decision lowering the assessment of a particular parcel.)

a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The record disclosed the Property Tax Appeal Board issued a decision reducing the subject's 2008 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2008 and 2009 are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision, that the decision of the Property Tax Appeal Board was reversed or modified upon review, or that the assessment year in question is in a different general assessment period. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor of 1.00 as applied in Downers Grove Township.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
