

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Norbert Mika
DOCKET NO.: 09-20720.001-R-1
PARCEL NO.: 13-17-100-049-0000

The parties of record before the Property Tax Appeal Board are Norbert Mika, the appellant, by attorney Glenn S. Guttman of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,719
IMPR.: \$19,833
TOTAL: \$25,552

Subject only to the State multiplier as applicable.

ANALYSIS

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction. The dwelling is approximately 56 years old and has 1,132 square feet of living area. Features of the home include a full unfinished basement, a fireplace and a one-car

garage. The property has a 5,719 square foot site and is located in Harwood Heights, Norwood Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on November 6, 2008 for a price of \$165,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,552. The subject's assessment reflects a market value of \$287,101 or \$253.62 per square foot of living area, land included, when using the 2009 three year average median level of assessments for class 2 property of 8.90% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted information on four comparable properties, none of which were sales.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

Although the appellant indicated the subject sold in November 2008 for a price of \$165,000, no evidence was provided to establish the transfer was an arm's length transaction. The appellant did not complete section IV - Recent Sale Data of the residential appeal form. The appellant failed to identify the seller; whether or not the parties were related; whether the property was exposed on the open market; the amount of time the property was advertised, if any; and whether the sale was the result of a foreclosure due to the settlement statement

identifying the seller as the Bank of New York. The Board finds due to the lack of data, the appellant failed to provide sufficient evidence to challenge the correctness of the assessment so as to shift the burden of proof to the Cook County Board of Review. (86 Ill.Admin.Code §1910.63(a)&(b)). Based on the evidence in the record, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
