

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Stella Edoimioya  
DOCKET NO.: 09-21066.001-R-1  
PARCEL NO.: 14-06-205-046-0000

The parties of record before the Property Tax Appeal Board are Stella Edoimioya, the appellant(s), by attorney Julie Realmuto, of McCarthy Duffy in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 5,751  
**IMPR.:** \$ 17,254  
**TOTAL:** \$ 23,005

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of 1,106 square feet of land, which is improved with a 44 year old, two-story, masonry dwelling containing 1,280 square feet of living area. The dwelling's amenities include one full and one-half baths, and an unfinished basement.

The appellant's appeal is based on unequal treatment in the assessment process. In support of this equity argument, the appellant submitted information on four comparable properties. These properties all contain two-story dwellings of masonry construction that range in age from 53 to 54 years old. The dwellings all contain 1,144 square feet of living area and a partial basement. Additionally, one dwelling has air conditioning. The comparables have improvement assessments ranging from \$5.58 to \$7.73 per square foot of living area, while the subject's improvement assessment is \$13.48 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$23,005 was disclosed. The board of review presented descriptions and

assessment information on four comparable properties. These properties all contain two-story, masonry dwellings that are either 44 or 45 years old. The dwellings have either 1,200 or 1,280 square feet of living area. The properties' amenities include one and one-half baths and a full, unfinished basement. One dwelling also has air conditioning. These properties' improvement assessments are either \$13.48 or \$15.04 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review were most similar to the subject in location, size, style, exterior construction, features, and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that were either \$13.48 to \$15.04 per square foot of living area. The subject's improvement assessment of \$13.48 per square foot of living area is equal to three of the comparables submitted by the board of review, and lower than the fourth comparable. Therefore, after considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
