

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Norbert P. Dembinski
DOCKET NO.: 09-21077.001-R-1
PARCEL NO.: 16-31-109-047-0000

The parties of record before the Property Tax Appeal Board are Norbert P. Dembinski, the appellant(s), by attorney Julie Realmuto, of McCarthy Duffy in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,260
IMPR.: \$ 18,638
TOTAL: \$ 21,898

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 4,830 square foot parcel of land improved with a 39-year old, one-story, masonry exterior construction, single-family dwelling. The improvement contains 1,313 square feet of living area as well as a full basement and one and one-half bathrooms.

The appellant's attorney argued that there was unequal treatment in the assessment process as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and assessment data for three suggested comparables. The properties were improved with a one-story or one and one-half story, single-family dwelling, with either masonry or stucco exterior construction, and one to one and one-half bathrooms therein. They range: in age from 57 to 92 years; in size from 1,474 to 1,539 square feet of living area; and in improvement assessments from \$11.43 to \$12.10 per square foot. The subject's improvement assessment is \$14.19 per square foot of living area.

Based upon this analysis, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review-Notes on Appeal" wherein the subject's total assessment was \$21,898. The board of review submitted descriptive and assessment data relating to four suggested comparables located within one-quarter mile's distance of the subject property. The properties are improved with a one-story, masonry exterior construction, single-family dwelling. They range: in bathrooms from one full to one and one-half baths; in age from 32 to 47 years; in size from 1,131 to 1,456 square feet of living area; and in improvement assessment from \$8.81 to \$18.31 per square foot.

After considering the arguments and testimony as well as reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the data, the Board finds that the appellant has not met this burden.

The Board finds that comparable #3 submitted by the appellant as well as all of the comparables submitted by the board of review are most similar to the subject in improvement exterior construction, size, and age. In analysis, the Board accorded most weight to these comparables. These comparables ranged in improvement assessments from \$8.81 to \$18.31 per square foot of living area. The subject's improvement assessment at \$14.19 per square foot is within the range established by these comparables.

The Board accorded diminished weight to the remaining properties due to a disparity in improvement exterior construction, improvement size, and age.

As a result of this analysis, the Board finds that the appellant has not adequately demonstrated that the subject was inequitably assessed by clear and convincing evidence and that a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
