

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mohammed Motan
DOCKET NO.: 09-21109.001-R-1
PARCEL NO.: 28-09-205-042-0000

The parties of record before the Property Tax Appeal Board are Mohammed Motan, the appellant(s), by attorney Julie Realmuto, of McCarthy Duffy in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 7,097
IMPR: \$ 29,438
TOTAL: \$ 36,535**

Subject only to the State multiplier as applicable.

ANALYSIS

The subject consists of a 17,743 square foot parcel of land improved with an 11 year-old, one-story dwelling with masonry construction containing 2,352 square feet of living area. Features of the home include central air conditioning, a fireplace and two and one-half baths.

The appellant's appeal is based on unequal treatment in the assessment process. The appellant submitted information on three comparable properties described as one-story or one and one-half story, frame or frame and masonry dwellings that range in age from 17 to 63 years old. The comparable dwellings range in size from 1,887 to 2,741 square feet of living area. Features include two and one-half baths and partially finished basements. The appellant did not include any data concerning garages for the comparables. The comparables have improvement assessments ranging from \$7.28 to \$9.53 per square foot of living area. The subject's improvement assessment is \$12.52 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment was disclosed. The board of review presented descriptions and assessment information on one comparable properties consisting of a one-

story masonry dwelling that is 10 years old. The dwelling contains 2,343 square feet of living area. Features include two full baths and a partially finished basement. This property has improvement an assessment of \$13.66 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables #2 and #3 submitted by the appellant and #1 submitted by the board of review, were most similar to the subject in size, style, and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$9.17 to \$13.66 per square foot of living area. The subject's improvement assessment of \$12.52 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
