

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Galle  
DOCKET NO.: 09-21198.001-R-1  
PARCEL NO.: 14-18-400-034-1001

The parties of record before the Property Tax Appeal Board are Mary Galle, the appellant(s), by attorney Huan Cassioppi Tran, of Flanagan/Bilton LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 4,043  
**IMPR.:** \$16,872  
**TOTAL:** \$20,915

Subject only to the State multiplier as applicable.

**ANALYSIS**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is composed of one unit of a three unit residential condominium building. The subject unit has a 23.327% ownership interest in the condominium. The property is a class 2-99 residential condominium under the Cook County Real

Property Assessment Classification Ordinance (hereinafter "Ordinance") and is located in Chicago, Lakeview Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$235,000 as of January 20, 2009. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,214. The subject's assessment reflects a market value of \$350,719 when applying the 2009 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted a memorandum from Matt Panush, an analyst, stating that the value of the subject is \$322,007 based on the sale of two residential units from 2006 thru 2009.

#### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The appellant's appraiser utilized the income and sales comparison approaches to value in determining the subject's market value. The Board finds this appraisal persuasive because the appraiser has experience in appraising, personally inspected the subject property, reviewed the property's history, and used similar properties in the sales comparison approach while providing adjustments that were necessary. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$235,000

as of the assessment date at issue. Since market value has been established, the 2009 statutory level of assessment for residential property under the Cook County Real Property Assessment Classification Ordinance of 8.90% shall apply. 86 Ill.Admin.Code §1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
