

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Richard S. Pepper
DOCKET NO.: 09-21914.001-R-1 through 09-21914.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Richard S. Pepper, the appellant, by attorney Liat R. Meisler, of Golan & Christie LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-21914.001-R-1	01-11-202-027-0000	\$11,630	\$66,061	\$77,691
09-21914.002-R-1	01-11-202-029-0000	\$5,488	\$22,020	\$27,508

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story single-family dwelling of frame and masonry construction with 4,577 square feet of living area. The dwelling was 47 years old. Features

of the home include a partial unfinished basement, central air conditioning, three fireplaces and a 2.5-car attached garage. The property has a 155,074 square foot site and is located in Barrington Hills, Barrington Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on six equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$105,199. The subject property has an improvement assessment of \$88,081 or \$19.24 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties to the appeal submitted a total of ten comparable properties into the record for the Board's consideration. The Board gave less weight in its final analysis to appellant's comparables #1, #2, and #5 and board of review comparables #1 and #4 due to significant size differences when compared to the subject's living area. Also receiving less weight was appellant's comparable #4. This property is more than 50 years older than the subject dwelling. The Board finds the best evidence of assessment equity to be appellant's comparables #3 and #6 and board of review comparables #2 and #3. These comparables are the most similar to the subject in design, size, age and features. These comparables had improvement assessments that ranged from \$13.13 to \$20.07 per square foot of living

area. The subject's improvement assessment of \$19.24 per square foot of living area falls within the range established by the best comparables in this record. Based on the evidence submitted, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed. Therefore, the Board finds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
