

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jonathan and Lisa Hayes
DOCKET NO.: 09-22414.001-R-1
PARCEL NO.: 14-19-312-026-0000

The parties of record before the Property Tax Appeal Board are Jonathan and Lisa Hayes, the appellant(s), by attorney Christopher Walsh Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$13,020
IMPR.: \$79,527
TOTAL: \$92,547

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property has 3,100 square feet of land, which is improved with a ten year old, two-story, frame dwelling, containing 2,222 square feet of living area. The dwelling has 2.5 baths, a full basement with a formal recreation area, air conditioning, and two fireplaces.

The appellant's appeal is based on unequal treatment in the assessment process. In support of the equity argument, the appellant submitted information on four comparable properties described as two-story, frame or masonry dwellings that range in age from 1 to 19 years old, and in size from 2,106 to 3,100 square feet of living area. The dwellings have from two and one-half to three and one-half baths. All of the dwellings have a basement area, air conditioning, one fireplace, and a two-car garage. The comparables have improvement assessments ranging from \$17.61 to \$29.51 per square foot of living area after recalculating appellant's mathematical errors. The subject's improvement assessment is \$35.79 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$92,547 was disclosed. The board of review presented descriptions and assessment information on four comparable properties consisting of two-story, frame dwellings that range in age from 10 to 14 years old, and in size from 2,046 to 2,244 square feet of living area. All of the dwellings have two and one-half baths, contain a basement with a formal recreation area, air conditioning, a fireplace, and a two-car garage. These properties have improvement assessments ranging from \$36.09 to \$37.67 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review, and comparables #1 and #3 submitted by the appellant were most similar to the subject in location, size, style, exterior construction, features, and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$23.97 to \$37.67 per square foot of living area. The subject's improvement assessment of \$35.79 per square foot of living area is within the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
