

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Agnam Murtishi
DOCKET NO.: 09-22546.001-R-1
PARCEL NO.: 14-30-200-015-0000

The parties of record before the Property Tax Appeal Board are Agnam Murtishi, the appellant, by attorney William I. Sandrick, of Sandrick Law Firm LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 15,000
IMPR.: \$ 20,000
TOTAL: \$ 35,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one and part two-story mixed-use building of masonry construction with 2,673 square feet of building area. The building is 106 years old. The first floor

contains commercial space and one apartment, while the second floor contains one apartment. The commercial unit is utilized as a beauty salon. The property has a 3,125 square foot site, and is located in Lakeview Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$350,000 as of October 21, 2010 utilizing the income and sales comparison approaches to value. Accordingly, the appellant's attorney requested an assessment reduction to \$35,000 based on the appraised value.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$56,392. The subject's assessment reflects a market value of \$633,618, or \$237.04 per square foot of living area, including land, when applying the 2009 three year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables.

In written rebuttal, the appellant's attorney indicated the board of review granted an assessment reduction for the 2010 tax year to \$35,000, therefore, an assessment reduction to that request should be granted for 2009 as well.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the eight sale comparables contained in the appraisal submitted by the appellant. The Board notes that several of the comparables contained in the appraisal were foreclosure sales. Therefore,

Docket No: 09-22546.001-R-1

after making adjustments for conditions of sale, an assessment reduction to the appellant's request is granted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
