

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Gianakas
DOCKET NO.: 09-23503.001-C-1 through 09-23503.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Steven Gianakas, the appellant(s), by attorney Steven B. Pearlman, of Steven B. Pearlman & Associates in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-23503.001-C-1	23-12-100-087-0000	41,962	4,618	\$ 46,580
09-23503.002-C-1	23-12-100-088-0000	28,496	75,413	\$ 103,909

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject consists of a one-story building of masonry construction with 4,010 square feet of building area. The building is nine years old. Features of the building include central air conditioning. The property has a 37,578 square foot site, and is located in Palos Township, Cook County. The subject is classified as a class 5-90 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$150,489. The subject's assessment reflects a market value of \$601,956, or \$150.11 per square foot of building area, including land, when applying the 2009 statutory level of assessment for commercial property under the Cook County Real Property Assessment Classification Ordinance of 25.00%. In support of its contention of the correct assessment, the board of review submitted information on five comparable sales from the CoStar Comps Service.

At hearing, counsel for the appellant reaffirmed the evidence previously submitted and waived the original request for a reduction based on the actual income and expenses of the subject. The board of review analyst rested on the evidence previously submitted.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be comparables #1 and #2 submitted by the board of review. Based on this record, the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued, and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
