

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Beatrice Mroz  
DOCKET NO.: 09-23687.001-R-1  
PARCEL NO.: 10-20-426-013-0000

The parties of record before the Property Tax Appeal Board are Beatrice Mroz, the appellant, by attorney Herbert Kanter of Rieff Schramm Kanter & Guttman in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$4,995  
IMPR.: \$13,305  
TOTAL: \$18,300**

Subject only to the State multiplier as applicable.

**ANALYSIS**

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a multi-level dwelling of frame and masonry construction. The dwelling is approximately 48 years old and has 1,344 square feet of living area. Features of the home include a partial finished basement and a two-car

garage. The property has a 6,244 square foot site and is located in Morton Grove, Niles Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$185,000 as of January 18, 2010. The appellant also submitted evidence disclosing the subject property was purchased on February 18, 2010 for a price of \$183,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$34,348. The subject's assessment reflects a market value of \$385,933 or \$287.15 per square foot of living area, land included, when using the 2009 three year average median level of assessment for Cook County of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted four comparable properties and provided a sale price for one of these comparables. Comparable #4 sold in August 2006 for a price of \$380,000 or for \$316.67 per square foot of living area, land included.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant and the purchase of the subject property in February 2010 for a price of \$183,000. The appellant did not complete Section IV - Recent Sale Data of the residential appeal form. However, the appellant did submit a copy of the settlement statement. The settlement statement

revealed that commissions were paid to two realty firms. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction and was not able to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$183,000 as of January 1, 2009. A reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
