

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Greg & Jackie Briskey
DOCKET NO.: 09-24101.001-R-1
PARCEL NO.: 12-25-424-037-0000

The parties of record before the Property Tax Appeal Board are Greg & Jackie Briskey, the appellant(s), by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,718
IMPR.: \$43,500
TOTAL: \$47,218

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 4,375 square foot parcel of land improved with a 45-year old, two-story, masonry, multi-family dwelling containing 3,956 square feet of living area, three and two-half baths, and a full, finished basement. The appellant argued there was unequal treatment in the assessment process of the improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted information on a total of three properties suggested as comparable and located within five blocks of the subject. The properties are described as two-story, masonry, multi-family dwellings. The properties have varying amenities. They range: in age from 39 to 99 years; in size 3,255 to 4,846 square feet of living area; and in improvement assessments from \$8.74 to \$10.00 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of \$43,500 or \$11.00 per square foot of living area was disclosed. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four properties suggested as comparable. The properties are described as two-story, masonry, multi-family dwellings. The comparables have varying amenities. They range: in age from 37 to 47 years; in size from 3,640 to 4,287 square feet of living area; and in improvement assessments from \$10.60 to \$11.97 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

At hearing, the parties rested on the evidence previously submitted.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has not met this burden.

The parties presented a total of seven properties suggested as comparable. The PTAB finds the appellant's comparable #3 and the board of review's comparables most similar to the subject in size, design, construction, location, and/or age. These properties range: in age from 37 to 47 years; in size from 3,640 to 3,966 square feet of living area; and in improvement assessments from \$10.00 to \$11.97 per square foot of living area. In comparison, the subject's improvement assessment of \$11.00 per square foot of living area is within the range of these comparables. Therefore, after considering adjustments and the differences in both parties' comparables when compared to the subject, the PTAB finds the subject's per square foot improvement assessment is supported and a reduction in the improvement assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
