

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Omari Collins
DOCKET NO.: 09-24848.001-R-1
PARCEL NO.: 12-36-419-004-0000

The parties of record before the Property Tax Appeal Board are Omari Collins, the appellant(s), by attorney Christopher G. Walsh, Jr. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 3,984
IMPR.: \$ 18,177
TOTAL: \$ 22,161

Subject only to the State multiplier as applicable.

ANALYSIS

The subject has 4,688 square feet of land, which is improved with a 60 year old, one-story, masonry, single-family dwelling. The subject's improvement size is 1,254 square feet of living area, and its total assessment is \$28,926. This assessment yields a fair market value of \$325,011, or \$259.18 per square foot of living area (including land), after applying the 2009 Illinois Department of Revenue three year median level of assessment for Class 2 properties of 8.90%. The appellant, via counsel, argued that the fair market value of the subject property was not accurately reflected in its assessed value as the basis of this appeal.

In support of the market value argument, the appellant submitted evidence showing that the subject sold in May 2008 for \$249,000. This evidence included an Illinois Real Estate Transfer Tax Declaration. Furthermore, the appellant's pleadings state that the sale was not between related parties. Lastly, the appellant's brief references two prior PTAB decisions granting a

reduction based on the sale of a properties three years prior to the lien date. No copies of the decisions were submitted. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal," wherein the subject's total assessment of \$28,926 was disclosed. In support of the subject's assessment, the board of review submitted descriptive and assessment information for four properties suggested as comparable to the subject. The comparables are described as one-story, masonry or frame and masonry, single-family dwellings. Additionally, the comparables range: in age from 50 to 72 years; in size from 1,035 to 1,266 square feet of living area; and in improvement assessments from \$20.62 to \$23.91 per square foot of living area. The comparables also have several amenities. The board of review's grid sheet also states that the subject sold in May 2008 for \$249,000, or \$198.56 per square foot of living area, including land; and that Comparable #3 sold in November 2006 for \$336,500, or \$308.15 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). "[A] contemporaneous sale between parties dealing at arm's length is not only relevant to the question of fair cash market value, (citations) but would be practically conclusive on the issue of whether an assessment was at full value." People ex rel. Korzen v. Belt Ry. Co. of Chi., 37 Ill. 2d 158, 161 (1967). Having

considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

In determining the fair market value of the subject property, the Board finds the best evidence to be the sale of the subject in May 2008 for \$249,000. The sale is within seven months of the 2009 lien date, and the appellant's pleadings support the arm's-length nature of the transaction because the buyer and seller are not related and the sale was not pursuant to a foreclosure or a short sale. The Board gives little weight to the board of review's evidence as it was raw sales data that did not make any adjustments for age, exterior construction, improvement size, improvement type, location, or market conditions.

Therefore, the Board finds the subject had a market value of \$249,000 for the 2009 assessment year. Since the market value of this parcel has been established, the 2009 Illinois Department of Revenue three year median level of assessment for Class 2 property of 8.90% will apply. 86 Ill. Admin. Code § 1910.50(c)(2)(A). In applying this level of assessment to the subject, the total assessed value is \$22,161, while the subject's current total assessed value is above this amount. Therefore, the Board finds that a reduction is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
