

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Murphy, Sr.
DOCKET NO.: 09-25122.001-R-1
PARCEL NO.: 20-22-226-027-0000

The parties of record before the Property Tax Appeal Board are Anthony Murphy, Sr., the appellant(s), by attorney Robert M. Sarnoff, of Sarnoff & Baccash in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 4,161
IMPR.: \$ 17,326
TOTAL: \$ 21,487

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property consists of a 3,468 square foot parcel of land improved with a 93-year old, two-story, Masonry, multi-family dwelling containing 2,510 square feet of living area, three baths, and a partial, finished basement. The appellant argues that the market value of the subject property is not accurately reflected in the property's assessed valuation and that the subject is inequitably assessed as the bases of this appeal.

In support of the market value argument, the appellant submitted copies of the sales contract, the settlement statement, and the recorder of deeds website printout indicating the subject was purchased on June 5, 2009 for \$43,000. The settlement statement

list realtor fees and all three documents show the seller as Federal Home Loan Mortgage Corp. The appellant also included an affidavit attesting that the property was vacant at the time of purchase and the remainder of 2009. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's total assessment of \$21,487 was disclosed. The subject's final assessment reflects a fair market value of \$241,427 using the Illinois Department of Revenue's 2009 three year median level of assessment for class 2 property of 8.90%.

In support of the subject's assessment, the board of review submitted descriptions and assessment information on four properties. The properties are described as two-story, masonry, multi-family dwellings with various amenities. They range: in age from 82 to 119 years; in size from 2,248 to 2,308 square feet of living area; and in improvement assessments from \$7.16 to \$7.55 per square foot of living area. As a result of this analysis, the board requested confirmation of the subject's assessment.

After considering the evidence and reviewing the record, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

When overvaluation is claimed the appellant has the burden of proving the value of the property by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331Ill.App.3d 1038 (3rd Dist. 2002); Winnebago County Board of Review v. Property Tax Appeal Board, 313 Ill.App.3d 179 (2nd Dist. 2000). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. 86 Ill.Admin.Code 1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in June 2009 was a "compulsory sale." A "compulsory sale" is defined as

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant

to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) (citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211, 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of comparable properties for the purpose of revising and correcting assessments, including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider compulsory sales of comparable properties.

In considering the compulsory sale of the subject property the Board looks to the comparable sales to determine if the subject's sale was reflective of the market. The Board finds neither the appellant nor the board of review presented any sales comparables. The Board cannot determine whether the subject's sale was at market value without any evidence of comparable sales. Therefore, the Board finds the appellant failed to meet his burden by a preponderance of the evidence and a reduction based on market value is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
