

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Elaine El-Aboudi
DOCKET NO.: 09-25392.001-R-1
PARCEL NO.: 13-13-118-009-0000

The parties of record before the Property Tax Appeal Board are Elaine El-Aboudi, the appellant, by attorney Joel R. Monarch in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,000
IMPR: \$ 18,920
TOTAL: \$ 24,920

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an 88-year old, two-story, multi-family dwelling of masonry construction. Features include: a full basement and a two-car garage. The property has a 3,750 square foot site and is located in Jefferson Township, Cook County. The subject is classified as a class 2,

residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$280,000 as of November 5, 2009, while using the income and sales comparison approaches to value. The appraisal indicated that the subject's building contained 3,242 square feet of living area based upon a physical inspection. In support thereof, multiple color interior and exterior photographs as well as a building schematic with size calculations were submitted.

In addition, the appellant's attorney submitted a copy of the subject's settlement statement reflecting that the subject sold on November 25, 2009 for \$279,900 without further details.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$37,298. The subject's assessment reflects a market value of \$419,079, when applying the 2009 three year median level of assessment for class 2 property of 8.90% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment data on four suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value and building size to be the *appraisal submitted by the appellant*. The Board accorded diminished weight to the limited sales data for the subject property, but finds that the sale price supports the appraisal's market value. Therefore, the Board finds that the subject property had a market value of \$280,000 as of the

assessment date at issue. Since market value has been established the 2009 three year average median level of assessment for class 2, residential property of 8.90% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
