

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Delfa Sanchez  
DOCKET NO.: 09-25818.001-R-1  
PARCEL NO.: 13-14-108-010-0000

The parties of record before the Property Tax Appeal Board are Delfa Sanchez, the appellant, by attorney Thomas M. Battista of Law Offices of Thomas M. Battista in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds an increase in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$5,000  
IMPR.: \$27,049  
TOTAL: \$32,049**

Subject only to the State multiplier as applicable.

**ANALYSIS**

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a one-story dwelling of masonry construction. The dwelling is approximately 49 years old and has 1,000 square feet of living area. Features of the home include a full unfinished basement and a one-car garage. The

property has a 3,125 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-03 under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted limited information on three equity comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$30,530. The subject property has an improvement assessment of \$25,530 or \$25.53 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables.

#### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof. The Board further finds that an increase in the subject's assessment is warranted.

The Board finds that the appellant's comparables were substantially older than the subject property. Additionally, the appellant did not provide any information on the comparables' foundations. The Board further finds the best evidence of assessment equity to be board of review comparables #1, #3, and #4. These comparables were very similar to the subject in location, design, exterior construction, age, living area, and foundation. These comparables had improvement assessments that ranged from \$25.78 to \$27.32 per square foot of living area. The subject's improvement assessment of \$25.53 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and

convincing evidence that the subject's improvement was inequitably assessed. The Board finds that an increase in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
