

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carl Tabb
DOCKET NO.: 09-26524.001-I-1 through 09-26524.002-I-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Carl Tabb, the appellant(s), by attorney Robert J. Paul in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-26524.001-I-1	03-13-101-011-0000	30,546	67,799	\$98,345
09-26524.002-I-1	03-13-101-017-0000	27,641	55,876	\$83,517

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two, one-story, metal constructed industrial warehouse buildings and one two-story metal constructed industrial warehouse building. The buildings were built in 1963, 1967 and 1977. Their aggregate square

footage is 14,312 square feet. The buildings are situated on an 84,637 square foot site. The property is a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$625,000 as of January 1, 2007.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$281,362. The subject's assessment reflects a market value of \$1,125,448 or \$78.64 per square foot of building area, including land, when applying the 2009 level of assessment for class 5 property under the Cook County Real Property Assessment Classification Ordinance of 25%.

In support of its contention of the correct assessment the board of review submitted six suggested sales comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board notes that a market value reduction to the appraised value of \$625,000 would result in a reduction of more than \$100,000 in assessed valuation. The Board also notes the appellant's appeal form states the total assessed value that the contesting party claims to be correct is \$181,862, which is less than \$100,000 lower than the subject's 2009 assessment of \$281,362. The Board finds a reduction in the subject's assessment to the appellant's requested assessment is supported by the evidence in the record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
