

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Paul Daugerdas
DOCKET NO.: 09-26852.001-R-1
PARCEL NO.: 05-27-416-012-0000

The parties of record before the Property Tax Appeal Board are Paul Daugerdas, the appellant(s), by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 17,112
IMPR.: \$ 78,268
TOTAL: \$ 95,380

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property has 9,250 square feet of land, which is improved with a 99 year old, two-story, stucco, single-family dwelling containing 3,866 square feet of living area. The subject includes three and one-half baths, air conditioning, a two-car garage, a fireplace, and a partial finished basement. The subject is located in New Trier Township, Cook County.

The subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board (the "Board") in a prior year under docket number 07-23429.001-R-1. In that appeal, the Board rendered a decision lowering the subject's assessment to \$95,380 based on the evidence submitted by the parties. In support of the subject's assessment, the appellant, via counsel, submitted an appraisal to demonstrate that the subject was overvalued.

The Cook County Board of Review submitted its "Board of Review-Notes on Appeal" wherein the subject's total assessment of \$131,097 was disclosed. In support of the subject's assessment, the board of review submitted descriptive and assessment information for three properties suggested as comparable to the subject to demonstrate the subject was assessed uniformly.

After reviewing the record and considering the evidence, the Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

Section 16-185 of the Illinois Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16-185.

The Board takes judicial notice that it rendered a decision lowering the subject's assessment in tax year 2007, and that 2007 and 2009 are in the same general assessment period for New Trier Township. The record indicates that the subject is an owner-occupied dwelling. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's 2007 decision, or that the Board's 2007 decision was reversed or modified upon review. For these reasons, the Board finds that a reduction is warranted, and that the subject's assessment shall be reduced to reflect the Board's 2007 decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
