

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jeffrey Markowitz  
DOCKET NO.: 09-27239.001-R-1  
PARCEL NO.: 14-32-103-021-0000

The parties of record before the Property Tax Appeal Board are Jeffrey Markowitz, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND: \$ 24,000  
IMPR.: \$ 81,401  
TOTAL: \$ 105,401**

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of 3,200 square feet of land improved with a 121-year old, two-story, masonry, single-family dwelling. The improvement includes 2,084 square feet of living area as well as two full and one half-baths, a partial basement, one fireplace, and a two-car garage.

The appellant argued that there was unequal treatment in the assessment process of the subject's improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptive and total assessment data for four suggested comparables located within a one-mile radius from the subject. The properties are improved with a two-story, masonry building. They range in age from 117 to 131 years and in improvement size from 1,726 to 2,142 square feet of living area. The total assessments range from \$79,001 to \$102,933 without further explanation of the assessment values to be attributed to either the land or improvement. The subject's improvement assessment is \$39.06 per square foot of living area. Based upon this analysis, the appellants requested a reduction in the subject's assessment.

The board of review submitted "Board of Review-Notes on Appeal" wherein the subject's improvement assessment was \$81,401. In addition, the board of review submitted descriptive and assessment data for four suggested comparables located in the subject's neighborhood. The properties are improved with a two-story, masonry, single-family dwelling. They range: in baths from two full to two full and one half-baths; in age from 118 to 131 years; in improvement size from 1,980 to 2,100 square feet of living area; and in improvement assessments from \$39.85 to \$43.15 per square foot of living area. As a result of its analysis, the board requested confirmation of the subject's assessment.

After considering the arguments and reviewing the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the evidence, the Board finds that the appellant has not met this burden.

The Board finds that suggested comparables submitted by the appellant fail to provide complete assessment data, namely there is no breakdown in assessment data. Therefore, the Board finds that the comparables submitted by the board of review are most similar in style, exterior construction, age, size and/or amenities. In analysis, the Board accorded most weight to these comparables. These comparables ranged in improvement assessments from \$39.85 to \$43.15 per square foot of living area. The subject's improvement assessment at \$39.06 is below the range established by these comparables.

Therefore, the Board finds that the appellant has not demonstrated that the subject is inequitably assessed and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
