

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jonathan Herbst
DOCKET NO.: 09-27444.001-R-1
PARCEL NO.: 05-08-317-006-0000

The parties of record before the Property Tax Appeal Board are Jonathan Herbst, the appellant(s), by attorney Leonard Schiller, of Schiller Klein PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 23,250
IMPR.: \$ 92,450
TOTAL: \$ 115,700

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame construction with 4,324 square feet of living area. The dwelling was constructed in 1996. Features of the home include a full basement, central air conditioning, two fireplaces and a three-car garage. The property has a 15,000 square foot site and is located in New Trier Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted a settlement disclosing the subject property was purchased in June, 2009 for a price of \$1,300,000 and that a real estate broker's commission was paid. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$178,655. The subject's assessment reflects a market value of \$1,860,990 or \$430.39 per square foot of living area, land included, when using the 2009 three year average median level of assessments for class 2 property of 8.90% under the Cook County Real Property Assessment Classification Ordinance as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables. The board of review also submitted a list of 40 sales of class 2-08 properties located in the subject's neighborhood. The list shows that the subject property sold in June 2009 for \$1,300,000.

In written rebuttal, the appellant's attorney stated that the board of review's equity evidence did not address the appellant's market value argument.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in June, 2009 for a price of \$1,300,000. Both the appellant and the board of review submitted evidence of this sale. Based on this record the Board finds the subject property had a market value of \$1,300,000 as of January 1, 2009. Since market value has been determined the 2009 three year average median level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
