

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Bowes
DOCKET NO.: 09-28104.001-R-1
PARCEL NO.: 17-21-211-141-0000

The parties of record before the Property Tax Appeal Board are Karen Bowes, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 9,620
IMPR.: \$ 22,013
TOTAL: \$ 31,633

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property contains a 962 square foot parcel of land improved with a three-story townhouse of masonry construction containing 1,292 square feet of living area. The dwelling is 19 years old. Features of the home include two bathrooms and one fireplace.

The appellant's appeal is based on unequal treatment in the assessment process. In support of the equity argument, the appellant submitted information on four comparable properties described as three-story, masonry dwellings that are at least 10 years old and contain 1,353 square feet of living area. The properties improvement assessments range from \$11.10 to \$11.98 per square feet of living area. Features include one and one half-baths and a one-car attached garage. The subject's improvement assessment is \$17.04 per square feet of living area.

In addition, although the appellant is not making a market value argument, she submitted sales data for these comparables which shows they sold from March 31, 1998 to February 6, 2006 for prices between \$335,000 and \$421,000. The appellant failed to supply a sales price for comparable #3. Based on this evidence,

the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's final assessment of \$31,633 was disclosed. The board of review presented descriptions and assessment information on four comparable properties located on the subject's same block. These comparables consist of three-story, masonry dwellings that are 19 years old. The dwellings contain 1,292 square feet of living area. Features include two baths, air conditioning, and an unfinished basement. These properties have improvement assessments ranging from \$20.05 to \$22.25 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds a reduction in the subject's assessment is not warranted.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the Board finds the appellant has not met this burden.

The Board finds the comparables submitted by the board of review were most similar to the subject in location, size, exterior construction and age. Due to their similarities to the subject, these comparables received the most weight in the Board's analysis. These comparables had improvement assessments that ranged from \$20.05 to \$22.25 per square foot of living area. The subject's improvement assessment of \$17.04 per square foot of living area is far below the range established by the most similar comparables. After considering adjustments and the differences in both parties' comparables when compared to the subject, the Board finds the subject's improvement assessment is equitable and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
