

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Morry Steinbach  
DOCKET NO.: 09-29011.001-R-1  
PARCEL NO.: 05-34-301-016-0000

The parties of record before the Property Tax Appeal Board are Morry Steinbach, the appellant(s), by attorney Richard J. Caldarazzo, of Mar Cal Law, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$ 9,843  
**IMPR.:** \$ 48,479  
**TOTAL:** \$ 58,322

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property consists of a 6,250 square foot parcel of land improved with an 88 year old, two-story, frame, single-family dwelling containing 1,815 square feet of living area. The appellant argued there was unequal treatment in the assessment process of the improvement as the basis of this appeal.

In support of the equity argument, the appellant submitted descriptions and assessment information on a total of three properties suggested as comparable. The properties are described as two-story, frame, stucco or frame and masonry, single-family dwellings. The properties have varying amenities. They range: in age from 71 to 102 years; in size from 2,000 to 2,186 square feet of living area; and in improvement assessments from \$17.57

to \$19.21 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" wherein the subject's improvement assessment of \$48,479 or \$26.71 per square foot of living area was disclosed. In support of the subject's assessment, the board of review submitted descriptions and assessment information on four properties suggested as comparable. The properties are described as two-story, frame, stucco, masonry or frame and masonry, single-family dwellings. The comparables have varying amenities. They range: in age from 81 to 94 years; in size from 1,656 to 1,900 square feet of living area; and in improvement assessments from \$30.51 to \$32.96 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

At hearing, the parties rested on the evidence previously submitted.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal.

The appellant contends unequal treatment in the subject's improvement assessment as the basis of the appeal. Taxpayers who object to an assessment on the basis of lack of uniformity bear the burden of proving the disparity of assessment valuations by clear and convincing evidence. Kankakee County Board of Review v. Property Tax Appeal Board, 131 Ill.2d 1 (1989). After an analysis of the assessment data, the PTAB finds the appellant has not met this burden.

The parties presented a total of seven properties suggested as comparable. The PTAB finds the appellant's comparables #1 and #3 and the board of review's comparables #1 and #4 most similar to the subject in size, design, construction, location, and/or age. These properties range: in age from 83 to 102 years; in size from 1,656 to 2,186 square feet of living area; and in improvement assessments from \$17.57 to \$32.96 per square foot of living area. In comparison, the subject's improvement assessment of \$26.71 per square foot of living area is within the range of these comparables. Therefore, after considering adjustments and the differences in both parties' comparables when compared to the subject, the PTAB finds the subject's per square foot

improvement assessment is supported and a reduction in the  
improvement assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
