**ANALYSIS**

The subject property consists of a 20,015 square foot parcel of land improved with a one-story, masonry, multi-tenant, commercial building. The improvement was constructed in 1950 and contained 11,887 square feet of building area. The property in this appeal was the subject of an appeal before the Property Tax Appeal Board for the prior year under Docket #08-27749-C-1.

In that appeal, the Property Tax Appeal Board reached a decision based upon equity and the weight of the evidence in the record as presented by the parties to the appeal. Pursuant to the Official Rules of the Property Tax Appeal Board, evidence from both parties in support of their respective opinions of the subject's market value as of the assessment date or equity of the assessment was requested. Moreover, the appellant's pleadings reflect a requested total assessment of \$163,470.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Property Tax Appeal Board finds from its analysis of the record that the evidence in this appeal is no substantially different from that of the prior year. Therefore, the Board finds that the evidence supports the appellant's requested total assessment.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
