

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Chad Novak
DOCKET NO.: 09-29149.001-R-1 through 09-29149.003-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Chad Novak, the appellant, by attorney John P. Fitzgerald, of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-29149.001-R-1	17-04-203-051-0000	17,850	25,377	\$43,227
09-29149.002-R-1	17-04-203-052-0000	2,954	5,986	\$ 8,940
09-29149.003-R-1	17-04-203-053-0000	21,665	24,068	\$45,733

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is 15 years old, and consists of a mixed-use, two-story building of frame and masonry construction on three adjacent parcels, each with its own property index number

(PINs 051, 052, and 053), and containing 8,022 square feet of building area. The first floor is used as a restaurant and bar. The second floor contains an office and a two-bedroom, two-bathroom residential apartment.

Features of the building include a partial basement, air conditioning and two fireplaces. The property has a 6,067 square foot site and is located in North Chicago Township, Cook County. The property is a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$1,100,000 as of January 1, 2009. The appraiser inspected the first floor restaurant and bar, and the second floor office. The appraiser stated in the report that the second floor residential apartment was the owner's living quarters, but that he was not able to inspect it.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$149,017, of which \$65,797 is for PIN 051, \$13,608 is for PIN 052, and \$69,612 is for PIN 053. The subject's total assessment reflects a market value of \$1,674,348 or \$208.72 per square foot of building area including land, when using the board of review's indicated size of 8,022 square feet and when applying the 2009 three-year median level of assessment of 8.90% for class 2 property as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment, the board of review submitted descriptive and assessment data on four suggested equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$1,100,000 as of the assessment date at issue. Since market value has been established, the 2009 three-year median level of assessment of 8.90% for class 2 property as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
