

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Juan Flores  
DOCKET NO.: 09-29425.001-C-1 through 09-29425.002-C-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Juan Flores, the appellant(s), by attorney John P. Fitzgerald, of Fitzgerald Law Group, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-29425.001-C-1	33-06-403-024-0000	8,453	34,287	\$42,740
09-29425.002-C-1	33-06-403-026-0000	7,036	7,214	\$14,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 49-year old, one-story, masonry, commercial building containing retail and residential area. The commercial unit consists of 4,730 square feet of building area, while the 25-year old, single-family residence consists of 1,231 square feet of above grade building area. The property has a 23,058 square foot site and is located in Bloom Township, Cook County. The subject is classified as a class 5A property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$300,000 as of January 1, 2008.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,012. The subject's assessment reflects a market value of \$443,278 or \$93.20 per square foot of building area, including land, when applying a blended level of assessment under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted limited, raw, unadjusted information on six suggested sale comparables. In addition, the board of review's memorandum included a waiver of reliability and accuracy relating to this submitted raw sales data.

#### Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the *appraisal submitted by the appellant*. The Board finds the subject property had a market value of \$300,000 as of the assessment date at issue. Since market value has been established the blended level of assessment under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
