

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mina Kuo  
DOCKET NO.: 09-29762.001-R-1  
PARCEL NO.: 07-24-106-013-0000

The parties of record before the Property Tax Appeal Board are Mina Kuo, the appellant, by attorney Howard W. Melton of Raila & Associates, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$11,361  
**IMPR.:** \$27,039  
**TOTAL:** \$38,400

Subject only to the State multiplier as applicable.

**ANALYSIS**

The subject property is improved with a two-story dwelling of frame and masonry construction. The dwelling is approximately 31 years old and contains 2,886 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, a fireplace and a two and one-half car garage. The subject property has a 12,350 square foot site and is located in Schaumburg, Schaumburg Township, Cook County.

The subject property is an owner occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board for the prior year under docket number 08-29281.001-R-1. In that appeal, the Property Tax Appeal Board rendered a decision lowering the assessment of the subject property to \$38,400 based upon the evidence submitted by the parties.

The appellant's attorney asserted that 2008 and 2009 were within the same general assessment period for Schaumburg Township. The appellant's 2008 appeal was based on overvaluation, and the appellant submitted evidence that the subject property sold in May 2008 for a price of \$400,000. The appellant requested that the subject's 2008 assessment be carried over to the 2009 assessment year.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$46,004 was disclosed. The subject's assessment reflects a fair market value of \$516,899 or \$179.10 per square foot of living area, land included, using the 2009 three year average median level of assessments for class 2 property in Cook County of 8.90% as determined by the Illinois Department of Revenue. (86 Ill.Admin.Code §1910.50(c)(2)). The board of review did not present any evidence in support of the subject's 2009 assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year decision should be carried forward to the 2009 tax year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board takes notice that it issued a decision reducing the subject's 2008 assessment. The record further indicates that the subject property is an owner occupied dwelling and that 2008 and 2009 are within the same general assessment period for Schaumburg Township. The record contains

no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the decision of the Property Tax Appeal Board for the prior year was reversed or modified upon review. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
