

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Doug Nash
DOCKET NO.: 09-29816.001-R-1
PARCEL NO.: 05-08-312-015-0000

The parties of record before the Property Tax Appeal Board are Doug Nash, the appellant, by attorney Timothy C. Jacobs of Gary H. Smith PC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds no change in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$27,290
IMPR: \$92,186
TOTAL: \$119,476

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a two-story dwelling of stucco construction. The dwelling is approximately 96 years old and contains 3,363 square feet of living area. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a two-car garage. The property is located in Glencoe, New Trier Township, Cook County.

The subject property is an owner occupied residence that was the subject matter of appeals before the Property Tax Appeal Board for the prior years under docket numbers 07-23542.001-R-1 and 08-30273.001-R-1. In those appeals the Property Tax Appeal Board rendered decisions lowering the assessment of the subject property to \$119,476 based upon the evidence submitted by the parties.

The Property Tax Appeal Board finds that 2007, 2008, and 2009 are within the same general assessment period for residential

property in New Trier Township. (86 Ill.Admin.Code §1910.90(i)).

For the 2009 appeal, the appellant submitted an appraisal to demonstrate the subject was overvalued. The appraiser concluded that the subject property had a market value of \$975,000 as of January 1, 2009.

The board of review submitted its "Board of Review Notes on Appeal" wherein the final assessment of the subject property totaling \$119,476 was disclosed. The subject's assessment reflects a fair market value of \$1,342,427 using the 2009 three year average median level of assessments for class 2 property in Cook County of 8.90% as determined by the Illinois Department of Revenue. (86 Ill.Admin.Code §1910.50(c)(2)). The board of review submitted descriptions and assessment information on four equity comparables to demonstrate the subject was being assessed uniformly. The board of review also provided a sale price for one of the comparables. Comparable #3 sold in January 2007 for \$1,157,000. The board of review also presented a list of 20 properties that sold from August 1990 to November 2009 for prices that ranged from \$47,500 to \$1,325,000. Descriptive data for these sale properties was not provided. Based upon this evidence, the board of review requested confirmation of the subject's assessment.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. Pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), the Board finds the prior year decisions should be carried forward to the subsequent year subject only to equalization.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) provides in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is

based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board takes notice that decisions reducing the subject's 2007 and 2008 assessments have been issued. The record further indicates that the subject property is an owner occupied dwelling and that 2007, 2008 and 2009 are within the same general assessment period for New Trier Township. The record contains no evidence indicating the subject property sold in an arm's length transaction subsequent to the Board's decision or that the assessment year in question is in a different general assessment period. The Board takes notice that the board of review has lowered the subject's assessment for the 2009 tax year to \$119,476. Consequently, the Property Tax Appeal Board finds that no further reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
