

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ron Plonis
DOCKET NO.: 09-29981.001-R-1
PARCEL NO.: 30-18-208-027-0000

The parties of record before the Property Tax Appeal Board are Ron Plonis, the appellant, by attorney Peter D. Verros, of Verros, Lafakis & Berkshire, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 552
IMPR.: \$2,448
TOTAL: \$3,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2009 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is 42 years old and consists of a one-story dwelling of masonry construction with 750 square feet of living area. The property has a 1,860 square foot site and is located in Thornton Township, Cook County. The property is a class 2

property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$30,000 as of January 1, 2009. The entire lot contains two attached, but separate, parcels under different property tax index numbers. The improvement of the subject property is a dwelling, identified as Unit A in the appellant's appeal to this Board, and attached to a dwelling on the separate attached parcel. The attached dwelling and the land on which it is situated are not the subject of this appeal.

The board of review submitted its "Board of Review Notes on Appeal," in which it erroneously combined the subject property with the attached parcel. Consequently, the board of review erred by submitting assessments for land, improvement and total thereof for both the subject property and the attached property. In support of its contention of the correct assessment the board of review submitted descriptive and assessment data on three equity comparables and one sale comparable from 2008, each of which it suggested is comparable to the combined assessments of the subject property and the attached property.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be *the appraisal submitted by the appellant*. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$30,000 as of the assessment date at issue. Since market value has been established the 2009 three-year average median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 8.90% as determined by the Illinois Department of Revenue shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
