

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Albert Dostal
DOCKET NO.: 09-30024.001-C-1 through 09-30024.002-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Albert Dostal, the appellant, by attorney Robert E. Pernai of Flanagan|Bilton, LLC, Chicago, Illinois; and the Cook County Board of Review.

Based on the facts and exhibits presented, the Property Tax Appeal Board hereby finds a reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
09-30024.001-C-1	18-03-322-039-0000	4,795	13,330	\$18,125
09-30024.002-C-1	18-03-322-040-0000	4,500	13,625	\$18,125

Subject only to the State multiplier as applicable.

ANALYSIS

The subject property is improved with a one-story brick and concrete block constructed, single user shop/auto service building with 3,328 square feet of building area. The building is 23 years old and has four grade-level overhead doors to access the shop. The front of the building also has a small office/waiting area with counter service. The subject property has a 6,197 square foot site and is located in Brookfield, Lyons Township, Cook County. The subject is classified as a class 5-22 property under the Cook County Real Property Assessment Classification Ordinance (hereinafter "Ordinance") and is to be assessed at 25% of market value.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. In support of this overvaluation argument the appellant submitted an appraisal estimating the subject property had a market value of \$145,000 as of January 1, 2008. The appellant also submitted a copy of the final decision issued by the Cook County Board of Review establishing a total assessment for the subject of \$58,190, which reflects a market value of approximately \$232,760 using the Ordinance level of assessments for class 5-22 property of 25%. Based on this evidence the appellant requested the

subject's assessment be reduced to reflect the subject's appraised value.

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessed valuation of the subject property.

After reviewing the record and considering the evidence, the Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of this appeal. The Board further finds the evidence in the record supports a reduction in the subject's assessment.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. National City Bank of Michigan/Illinois v. Illinois Property Tax Appeal Board, 331 Ill.App.3d 1038 (3rd Dist. 2002). Proof of the market value of the subject property may consist of an appraisal of the subject property as of the assessment date at issue. (86 Ill.Admin.Code 1910.65(c)(1)). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value in the record is the appraisal submitted by the appellant estimating the subject property had a market value of \$145,000 as of January 1, 2008. The Board finds the subject's assessment reflects a market value greater than the appraised value presented by the appellant. The board of review did not submit any evidence in support of its assessment of the subject property or to refute the appellant's argument as required by section 1910.40(a) of the rules of the Property Tax Appeal Board and is found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. (86 Ill.Admin.Code 1910.40(a) & 1910.69(a)). Based on this record the Property Tax Appeal Board finds the subject property had a market value of \$145,000 as of January 1, 2009. Since market value has been determined the 25% level of assessment for class 5-22 property under the Ordinance shall apply. 86 Ill.Admin.Code 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code.
